

**Mr. Pankaj Mehta**  
**Managing Director**  
**Carrier Transicold, India & South Asia**

Mr. Pankaj Mehta is the Managing Director of Carrier Transicold India and South Asia including Sri Lanka, Bangladesh, Nepal, Bhutan and Maldives.

Carrier Transicold is a business unit of Carrier Corporation, the world leader in high technology heating, air-conditioning and refrigeration solutions and part of United Technologies Corporation. Carrier Transicold has a leadership position in refrigeration solution for trucks & trailers, rail refrigeration and sea going refrigerated containers.

Mr. Mehta joined Carrier India in 2000 and has held various progressively expanding roles. In his current role, he is responsible for the overall leadership, strategic direction, and operating performance of the truck refrigeration business in the region.

Mr. Mehta is a speaker at several Cold Chain conferences. He is an active member of National Cold Chain Task Force set up by the Confederation of Indian Industries (CII) in association with the Ministries of Agriculture and Food Processing to stimulate the cold chain infrastructure development and is also a member of the National Center of Cold Chain Development (NCCD). He was also awarded the ICE award 2011 by the Global Cold Chain Alliance.

Mr. Mehta has over 26 years of rich work experience and is a highly-qualified engineer with a Bachelor of Technology in Mechanical Engineering, Bachelor of Science and a Master's in Marketing Management from Mumbai University.

Prior to entering the corporate business world Mr. Mehta has served in the Indian Navy for 9 years as an Officer and is an alumni of the prestigious National Defense Academy (NDA) Khadakvasla-Pune.
